

Goody Punch Concentrate

at Cornhusker Beverage & Bridal
8510 K Street, Omaha
402.331.5404

Serving punch at your reception can be tasty, economical and easy with Goody Beverage Concentrate. When this liquid concentrate is diluted with water, it makes a foolproof delicious drink. A single gallon of concentrate will make 200 four ounce servings and is only \$6.99. Goody Beverage Concentrate is available in ten colorful fruit flavors. Many people coordinate the color of the punch with the color theme of the reception. By adding your favorite soft drink you can make your punch bowl a sparkling, bubbling delight. Please feel free to stop by for help in deciding what quantity of Goody Beverage Concentrate you need for your reception. We would be glad to help!

Flavors & Colors

FRUIT PUNCH - This is a typical Hawaiian style punch with a perfect blend of fruit flavors. It is dark red in color.

CHERRY - This is a bright red transparent beverage with the flavor of sweet red cherries.

ORANGE - This has a bright orange color with a tangy and appealing orange flavor.

LEMONADE - This yellow citrus punch boasts a semi-sweet, semi-tart flavor. This flavor is excellent for summer receptions.

LIME - This concentrate is a kelly green beverage with the tartness of lime and a delicate balance of sweetness.

BLUE RASPBERRY - This has the flavor of sweet raspberries yet also presents a subtle tartness and is bright blue in color.

BLACK CHERRY - This is a very popular flavor with the taste of wild dark cherries is a dark burgundy color.

GRAPE - This is a full flavored beverage, purple in color, that almost explodes with the taste of dark, rich, ripe purple grapes.

WHITE CHERRY - The lack of color in this beverage can be deceptive. It has the full flavor of sweet cherries with a very light hint of pink.

WHITE GRAPE - This is probably the most versatile beverage having the rich flavor of grapes without any color.

FRUIT PUNCH DELUXE

1 gallon Goody Fruit Punch Concentrate
2 liters Ginger Ale
2 liters Squirt
2 1/2 gallons Water

Blend and serve. Makes about four gallons.

This punch combines the dryness of ginger ale, the tartness of grapefruit and the fruity sweetness of punch concentrate to make a beverage that your guests will love.

BEAUTIFUL BLUSH

1 gallon Goody White Cherry Concentrate
4 liters 7 up
2 1/2 gallons Water
1 oz. Strawberry Soda

Blend first three ingredients in punch bowl. Add Goody Strawberry Soda until desired color is reached. Add ice and serve. Makes about four gallons.

This punch has the look of a sparkling white zinfandel with a light, crisp cherry flavor.

NON-ALCOHOLIC CHAMPAGNE PUNCH

1 gallon Goody White Grape Concentrate
2 liters Ginger Ale
2 1/2 gallons Water

Pre-chill ingredients if using fountain. Blend and serve. Ice in punch bowl is optional. Makes about four gallons.

This simple combination is great when using a punch fountain.
